

DID YOU KNOW ???

Helping abused, neglected or homeless animals may be easier than you thought. Although rescue workers and foster homes are always in great need, not everyone has the time or the housing to do this type of volunteer work.

There are still several ways you can make a difference to those animals that need medical care, a safe haven to sleep or food and water in their bowls.

The ESHS fundraising committee would like you to consider the following volunteer opportunities that will make a world of difference to those animals that need our help.

1. Several times throughout the year we hold various fundraisers, these range from our yearly reverse raffle, steak fry and puppy love pasta dinner to our craft shows, adopt-a-thons, dog wash and dog walks. Volunteer staff is greatly needed to help at these events, and it requires only a couple hours of your time.
2. The fundraisers mentioned above require donations for door prizes, various auctions and items to sell. Your help could be as simple as requesting a donation of these types of items from employers, businesses you frequent, businesses you own or hobbies you do.

We want to thank all those members, friends and volunteers of Erie Shores that have already given so much of themselves to help our clients, the animals, and want to give an advanced thank you to all of you considering helping us in the future.
